THE LITTLE CHURCH
ON THE HILL.
SMALLEST CHURCH
IN THE WORLD,
COVINGTON, KY.—14

Scarcely larger than a child's playhouse, so small that, including the priest, it can hold but three persons, this tiny church was built by "Black Friars." It is made completely of stone, even the roof, except for its single stained glass window and narrow door. In this shrine, the Friars originally worshipped in perpetual adoration.
